Sir:

**INFORMATION DISCLOSURE STATEMENT**

In accordance with 37 CFR § 1.56, the references listed on the attached form PTO/SB/08a (07-09) are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified application. The cited references include one or more foreign patent documents, a copy or copies of which are being submitted in accordance with 37 CFR 1.98(a)(2). One or more of the foreign patent documents are in non-English language. The following is a concise explanation of the relevance of the or each non-English language document:

CH534078 discloses a container. The container comprises a hexahedral outer case with its right side open and is provided with a cut-off portion at the right edge of its upper wall, and an inner case having a base plate, front and back walls, a left side wall and a compressible and deformable right wall in the shape of a quadrilateral three-dimensional body. When the top of the quadrilateral three-dimensional body is pressed and opened, that pressed body constitutes the catch for pressing and opening a lid. The inner case is slidable within the outer case.

This information is being submitted within three months of the filing date of the above application or before the mailing date of a first office action on the merits. Accordingly, it is respectfully requested that the information cited in this statement be considered according to 37 CFR § 1.97(b). However, if this information is submitted after the three months and a first Office Action has been mailed on or before the
